Prizes: T-shirts to the top skiers from each grade (both boys and girls)

Bonus: Free hot chocolate and cookies while you wait for results!!

Please email your entries to [reaster@mac.com](mailto:reaster@mac.com) by **8 pm on Wednesday, Jan. 17, using the spreadsheet below**. Put your skiers in order seeded by grade level. **Please be timely** because it takes a little longer to set up the wave race format. **Schools who send entries after Wednesday will be charged \$50.00**. Also, please make your running order is as accurate as possible! (Ask your skiers what class they are in if you are not sure!!). Some last minute scratches are always necessary, but if we can keep them to a minimum, it helps preserve the wave format. **List your skiers from fastest to slowest**. Any changes from what you see here will be posted at [www.mainehighschoolskiing.com](http://www.mainehighschoolskiing.com). We know that it has not been snowing (duh!) and the race will have to be moved if we don't get enough snow this week. We are working on possible backup sites and will keep you posted. If weather on race day is questionable, check the MHSS site before you leave in the morning!
